RESPONSE TO OFFICE ACTION

Commissioner for Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

In response to the final office action dated June 18, 2002. Please amend the above-identified application as indicated below:

AMENDMENT AFTER FINAL

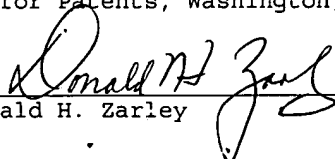

In the Specification:

Please delete the paragraph beginning at page 3, line 7, and replace it with the following paragraph:

The present invention relates to a reversible thermochromic and/or photochromic cosmetic composition for use in aqueous hair and skin product formulations. The invention involves the formation of thermochromic cells having a thermoset resin protective shell on the outside, and a mixture of water, fatty substance, and dye on the inside. Photochromic cells of this invention combine benzene
